Edenred

Edenred helps over 23,000 private and public sector organisations engage and motivate people to improve performance. This is achieved through provision of unique total reward solutions. As the sole provider on the Crown Commercial Services framework agreement, our services have been tailored specifically to meet the key challenges facing public sector organisations. How we can help you

- Employee Benefits solutions that encompass the management of your flexible and voluntary benefits, employee discounts and salary sacrifice schemes.
- Incentives and Rewards solutions that can motivate, create behavioural change and improve performance, centred around the widest choice of reward platforms and mechanisms that offer the recipient the widest choice of redemption options.
- Communications Services that ensure your investment in incentives, rewards and benefits are understood, valued and appreciated, delivering maximum returns for your business.
